I offer Nick a glass of wine since I already have a head start but he declines. I tell him to drop trou and immediately I start on his big cock. I love the taste of cock in the afternoon, and I love to have it deep in my pussy. I get all wet and horny waiting for it to split my slit and plunge inside. I don't think there was a spot in the house that we didn't leave our wet marks on. We played all afternoon. Now that was a lot of fun.

EMILIANA & SETH

I've been blessed most of my life with these gorgeous boobs, and luck for you guys and girls out there, I've also been blessed by a huge sexual appetite. Yes, there are days I wish they were smaller, but not that many. And they provide me with quite a good income.

While some of you guys may think these are fake, let me tell you they're not. They're natural and they feel great. They're still firm and very kissable. But I'm not all about boobs. My pussy is quite pretty, too. It's very tight and small for my size and it gives me and my partners great pleasure. You'll have to take my word for that, too.

How often do you get complimented on your booty? Well, I get it a lot, and I like hearing it. I make sure it's ready for action because you never know where it's going to come from. I especially like having a guy bury his face in it and lick my pussy and asshole from behind. I can just close my eyes and fantasize about what wonderful things will cum next.

No - I'm not an accountant, and I don't work at the mall. I'm a happy person who just happens to be a little sex starved.

So I'm taking photos and making videos so I can expend some of that energy. I hope you like.

Over 18 only

there's stuff going on behind the scenes at the racetrack besides the bookies, jockeys and their steeds

jockeying for the best position

I'm writing because I know of your magazine because my husband subscribes to it. I'm a petite young looking 42-year old and I would like to tell you about a little (no pun intended) affair I had. I've been with James for only two years and this happened three years ago, so he wasn't even in the picture. He encouraged me to share it.

I grew up in Southern California and have been around racing horses my whole life. It was 2012 and I was in San Diego in August for the 9 furlong Del Mar Oaks at beautiful Del Mar Racetrack. The weather for a few days prior to the race was rainy most of the time. When the jockeys couldn't get enough time on the sloppy track, they just sat around the clubhouse playing cards. I've been around racetracks, horses and jockeys my whole life. I'm about 5 foot 4 and 115 pounds with blonde hair, nice boobs (I've been told) and a bit of a backside. I am a horse groomer from a grooming family. My great grandfather started in the twenties and we've been doing it ever since, but I'm the first female in the family to do it for a living.

I was grooming Lavendar, one of the twelve or so horses competing in that year's race. Now, it was a day before the race and the weather had broken for a few hours and most of the jockeys were able to get a run in, including mine, at the very end before the rain came again, quite unusual for San Diego. Lavendar made it back to the stables soaking wet and full of mud up to his belly. I gathered up my hoses, buckets and brushes and was ready to clean him up. The jockey, Manuel, walked him into the stables and to his stall at the end of the barn. I was already there standing with brush in hand and a big warm smile for Manuel. I told him I was sorry the rain cut his run short, but he said it went well and has confident the horse would perform well on race day.

We took the horse into the stall and closed the big gate behind us. After unbridling and unsaddling the horse, I tied him down. Manuel sat on a bale of strapped hay in the corner of the stall. Before I started grooming the horse, I went

over to Manuel and helped him take off his riding boots. I straddled his leg, back to him, and pulled them off one at a time. As I finished with the second one, he grabbed my hips and pulled me down on his lap. He then reached up and cupped his hands over my breasts. Needless to say, I was quite surprised and didn't know what to do.

I had never been approached by any jockey, ever. In the moment, I was trying to decide whether to slap him or not, he slipped a hand inside my shirt and was feeling for my nipple. I stood up quickly and that action ripped a couple buttons off my blouse. He bent down looking for them as I tried to close my shirt. That gave me time to think. As he finds them and stands up to give them to me, I am "angry" and push him down on the hay. He doesn't know what to think as I take a couple steps forward with

my brush clutched in my hand. He looks up at me as I'm now standing over him at the foot of the bale. After a moment of glaring at him, I reach down and pull his belt off. I then undo his pants, reach in, grab his cock and squeeze. He gives out a muffled groan and as I'm holding it, it begins to get hard. With my free hand I pull off his pants and grab his balls and squeeze. I tell him that if he ever does that again, I would rip these off him and feed it to the horse. His eyes get wide with fear and he stutters that he won't. I begin to walk away and look back to see him clutching his dick and balls. I laugh, turn around and go back to him, take his hands away from his privates and get down on my knees in front of him.

I open his legs, get in between them and push him back down on the hay. I take his now-hard cock and begin to stroke it. His expression changes from one of fear to one of humble smiles. I bend over and begin to lick his shaft

as I keep my eyes on him. His cock head goes into my mouth and I cup his balls gently. No hard squeezing this time. With my lips firmly around his cock, I straighten up a little to take my shirt and bra off. I play with my breasts and nipples as I suck him off. I deep throat him and lick his balls at the same time. Manuel is now laying all the way back enjoying the attention. I slip off my jeans and panties and climb up on the bale bypassing his dick and squat down on his face. I push my pussy into his face and begin grinding it into him. I feel his nose on my clit as he sticks his tongue into my pussy. I get off and turn around into a reverse cowgirl and grab his dick again. I pump it up and down as his hands circle around my hips and pulls me harder onto his face. Bending over, I begin sucking him and playing with his balls. We're sixty-nining on the hay and going at it like a pair of horny rabbits.

I cum all over him and as I do he follows, shooting his big, warm load into my mouth. I spit it out onto the hay and get off him like I was getting off a saddle. Standing in front of him, I reiterate what I said earlier. "If you do that again, I'll feed it to the horse." I laughed, grabbed my brush and slapped him across his dick. I abandon my ride and return to the horse and do my job. Out of the corner of my eye, I see him slink out of the stall.

It's now early morning, a couple days before the Oaks, and Manuel is at the stall prepping the horse before taking him out for his daily run. I walk in with all my stuff and spend a moment talking to him, telling him that I think he'll have a great run today and wish him the best. I smile encouragingly and give him a kiss on the cheek and tell him I'll be waiting for him and the horse here when they finish.

While they're out running the track, I have all these wickedly delicious thoughts about what I want to do with him. What I really want is my hands on his naked body. I would start at his calves and rub every muscle very slowly until I feel him melt. And you know I can't keep my hands off his ass. I'd make sure to rub it hard so I don't miss a single muscle. His neck gets a lot of attention too, but then I can't keep my fingers out of your hair. It is so silky and slides through my fingers as I massage his scalp. His body is so relaxed. Sometimes I use my fingertips, and sometimes I use my fingernails. I brush across his skin from his hands to his shoulders. My hands meet in the middle and trace circles across his spine. The circles go lower and

lower until my fingernails are dragging across his ass. One finger slides between his ass cheeks slowly. Then my finger disappears.

I awaken from my daydream as Manuel walks the horse into the stall. I collect myself and ask how the run went. He said it was great and felt his chances for the Oaks look pretty good. I walk over to him and whisper in his ear that if he goes and takes a shower, I'd be here in the stall waiting for him. He runs out and within ten minutes returns in his sweats. In the meantime, I had stacked a few bales high to make a wall so not to be seen from the door. I laid out a blanket on the floor behind it and took his hand and led him back there. I said we have to be quiet and find myself

getting undressed. I take off my shirt and his eyes fall to the tops of my breasts above my bra. I slide my jeans and the rest of my clothes to the floor and stand there naked. Manuel has disrobed also and I can feel his eyes on my body. I see his cock twitching as I let him look. My nipples harden as he stares at me.

I hear his breathing start to change, and I can't help but smile. My finger slides down to his inner thigh where I graze his balls. I kneel between his legs, forcing them to spread wider. Now my whole hand can caress his balls because I love the way they feel. My right hand trails a path from his balls to the top of his ass. I slowly slide a finger down his ass crack, pausing to feel how tight he is, and then move on. This teasing is driving him crazy. I begin massaging Manuel's ass with my hand and one finger probes between his cheeks. I can feel his tight hole, but I go slow, building his anticipation. My finger circles around his hole as he pushes his ass toward me. His eyes are closed and his breathing is fast.

Eye-level with his cock, I grab it hard and put it in my mouth. My tongue swirls around it as I look up at him. I slide his cock in and out of my mouth, and slide my finger just barely inside him and then stop. I love the way he pushes his ass against my finger. It just shows how much he wants this. So I push again and feel my finger slide in a little further before I stop. I begin rubbing his ass with my hand as my finger begins slowly pushing into him. Suddenly he pushes against my finger and it slides inside to the knuckle. I don't move my finger as I grab his cock with my other hand. I begin jerking him off slowly, never moving my finger in his ass. I reach between my legs and insert a few fingers into my dripping wet pussy, slathering them up good. I place my hand back on his cock and begin jerking him off again while his cock is covered with my silky wetness. My hand slides easily around his cock as my finger in his ass begins to fuck him in the same rhythm. My hands are stroking his cock, fucking his ass, and making him cum. I slide my finger out as I caress my breasts, smearing his cum across me. His fingers roll my nipple between them, and I can't help but moan as I cum without being fucked. I tell him to get dressed. It's time for me to get back to the horse.

I told him that if he wins the Oaks, I would be his to do with whatever he wanted. I watched the race. Lavendar and Manuel did not win, place or show that Saturday.

MAHOGANY

BOOTY FINE AS WINE

One day I was with this guy at a mall and got a wave of hornyness I just had to quench. We went to a store and found dressing rooms that were empty. I chose some clothes to pretend like I was trying on, and he followed me into the waiting area. Noticing there was nobody else there, he came into the changing room. We fucked in three different positions and watched ourselves do it in the mirror that was in the room. That was awesome!

my cock welcomes our neighbor with a push and a thrust

I'm writing to tell you about my neighbor, Beverly. She's smallish, about 5' 2" with ample breasts and a round little ass guys dream about. She has long blonde hair with an oval face and full pouty lips. I have the largest pool in the cul-de-sac where we live, so I'm the ones always throwing the parties. In the summer that's at least once a week and since we live in Arizona, they continue until Christmas. For a year now, Beverly and I have been flirting at the pool and sometimes talk about going a little further, but we never do. So today, it seemed that she enjoyed my flirtation because she flirted right back. We were sitting at the pool bar and she would brush my leg or squeeze my thigh as the alcohol dimmed her senses, but I didn't mind. One time she caught me looking at her boobs when her nipples were pushing hard against her bikini top. I looked away but she patted my butt, so I guess it was fine.

I have a business that allows me to work from home. That next Wednesday, I heard the doorbell ring and when I answered it was Beverly at the door with a large bag from a take-out Chinese restaurant. She asked if I would have lunch with her since she brought enough for two. I looked in the bag and said "Sure, but only if I can open some wine." We both laughed and headed for the kitchen. She laid out the food and I popped the cork on a nice bottle of pinot grigio.

Thomas, her husband was always away from the city on his company's business. She rambled on about the

cities he went to, and this was not what she signed up for, and how she found it hard to fill her days. I tried to listen but that was difficult to do with her standing there in that short red dress that clung to her firm ass and the low cut top that barely covered her areolas. As I looked closer, I realized she wasn't wearing a bra, and again she caught me sneaking a peek at her cleavage. Of course, my cock stiffened up and I was embarrassed to get out of my chair. She was leaning on the counter a few feet away when she caught me looking and then she smiled at me and said, "It's nice when a man notices a woman."

I think I blushed and she took a couple steps over to me and said, "You should get back to work. I'm sorry I kept you so long." I told her it was okay. That I was just wrapping it up for the day, anyway. After some more small talk, I was so horny from the wine, I looked at her and said, "Well, since you didn't bring any dessert..." She put a finger to my lips and replied "Actually, I did."

Leaning over, she gave me a soft kiss on the cheek and slid her lips over to my lips. With her head bent down, she noticed the bulge in my pants and ran her hand down there to check if it was me or my keys. I felt her squeeze the hard flesh through my pants and she lightly tongued me as she did. I reached behind her and put my arm around her waist and down to her butt. She reached around me and pulled me up and out of my seat.

it's nice to have a cute sexy neighbor that's willing to bring dessert. Hank, Tempe, AZ

She turned away from me and asked if I would bring the wine glasses into the living room. I said "Sure." and poured a couple more inches into each of them. As I entered the room, I saw her untie her shoulder straps and watched as her dress fell off. No bra, but she also wasn't wearing any panties. Now her naked body stood in front of me and it was even sexier than I ever imagined.

I stared at her perfect breasts with their light brown nipples. She turned sideways and picked up her dress off the floor and tossed it on a chair. "Are you ready for dessert?" she asked as she straightened up and walked over to me. I gave her a kiss and began running my hands over her body. I could tell she was as hot as I was as she began pulling off my shirt, and not even undoing my belt, jammed her hand down my pants and grabbed my throbbing cock. With her free hand she undid my zipper and pulled it out. She stroked it a few times and knelt in front of me stroking my cock and balls. She looked up at me with those angel eyes and asked if that felt good. I moaned something stupid, but she did not even bother to wait for my answer. Her mouth opened wide and she engulfed my cock using my balls to pull it in.

After several minutes, she pulled her mouth off my cock and sat down on the edge of the sofa. She leaned back and spread her legs. I knelt in front of her and started to lick her dripping wet pussy. I put my arms under her knees and lifted her legs so I could get a better angle at her clit. She reached down and pulled my cock into her wet pussy as she arched back at the first thrust. As I penetrated her again and again, her pussy

squished at every thrust and I felt her juices running down my balls and thighs. I reached under her and grabbed both butt cheeks and used them to pull her hard onto me as I pushed and pulled my cock into her pussy. I felt the big build up and began to pound her even harder. She could tell I was about to cum and she reached around our butts to grab my balls and give them a good squeeze. Well, that was too much for me and I shot a huge load deep into her wet pussy. Now it was her turn and she ground her hips into my cock. I grabbed each nipple and gave them a soft twist and squeeze as she came with a big grin on her face.

As we lay there on the sofa in our sweat, she was playing gently with my cock and balls. I asked if we could do it again. She bent down and kissed the tip of my cock and said she'd be happy to bring dessert over again tomorrow.

toy time *sometimes the best sex is when your lover is plastic*

It's another Saturday night and I'll be going out in a couple hours with some friends. I had just stepped out of the shower. Freshly shaved and feeling silky smooth I was admiring myself in the mirror. Turning this way and that as I ran my hands over my moist skin. As I was feeling my ass, I started to get a little turned on. Bending over, I pulled my cheeks apart to see my tight hole in the mirror. I stuck a finger in some lotion and started to tease it as I moaned slightly. But I needed something more than a finger. So I went to my bedroom to try out my newest toy.

the only thing that had ever been in my ass was my finger, until now.. LouAnn, El Paso, TX

I bought it online from a large adult toy store and it just came yesterday. It's eight flesh-colored inches of pure pleasure. It has a suction base and a thick shaft so I stuck it to the wall waist high and got down on my knees and marveled at its soft hardness. Closing my eyes and pretending, I started kissing it lightly on its thick shaft. My tongue darting out to lick it. My kisses came quicker as my mouth started to water. Taking the shaft in my hand, I wrapped my lips around the hard pinkish head sucking gently. My head started moving rhythmically in and out and my hand moved in unison. Further and further it went into my mouth and before I knew it the thing was touching the back of my mouth.

Opening my eyes, I could see there was still about two more inches of simulated man-meat to go but there was no room left in my mouth. 'Could it fit down my throat?' I thought as I kept bobbing my head. Deciding to give it a try, I brought the head to the back of my mouth again. Trying to relax my throat muscles I pushed a little bit more in. One inch... I couldn't breathe! I felt like gagging! Here I was with seven inches of plastic love muscle in my mouth and throat. I couldn't give up now! So breathing through my nose I pushed the rest in until my lips were touching the hard ball sack.

I couldn't believe it! I had just deep throated something eight inches long! Slowly I pulled my head back. Feeling it slide out of my throat and over my tongue. Holding the head in my mouth, spit falling from my mouth in long strands I knew what I needed to do now. Moving my fake love pump so it was lower I grabbed a bottle of lube. Even though it was covered in my saliva I knew what I was planning was gonna require a lot of slickness.

Squirting a good amount on it, I slowly jerked it for a few seconds preparing it to be nice and slick. When I was ready I turned around, took my slippery fingers and poked them into my tight back door.

Wanting more than my fingers in me, I reached between my legs and brought the head to my slippery ass. Feeling the tip press against me, I slowly inched backwards. I could feel it opening me up. I rocked back and forth gently letting things go slow. It was getting thicker the more it went in. Again, I closed my eyes as I moved back and forth on the shaft. 'I love your cock in my ass.' escaped my lips as I took more inside of me. Moaning deeply and arching my back, I pushed backwards until my ass hit the wall.

'Damn!' I said out loud. It felt so good having eight inches stuffed deep in my brown hole. Slowly I started to pull out, feeling every veiny inch of wonder. I started moving back and forth. Slow at first but getting faster with every thrust. I grunted as I slid that monster in and out faster and faster. Feeling myself getting ready to explode I buried my fake fuck friend as deep as it would go as I came. My body shook as my love juices flew out. Breathing deep, body shaking with my ass pressed tight against the wall, I moaned contentedly. Holding myself there, in that position, I let my girl goo dribble onto the floor.

As I pulled myself off my rubber lover, I curled up on the floor right underneath it. With a few quick rubs of my clit, I came once again, feeling almost complete in my pleasure. I crawled over to my bed and climbed in for a quick nap before Saturday night hit.

A blonde woman with long hair, wearing a leopard print dress and white high heels, is posing provocatively. She is leaning forward, resting her hands on a black surface, with her legs raised and bent, showing her buttocks. She is smiling at the camera.
